

Dear Owner,

In an effort for Lighthouse Cove to better serve you, please provide the Resort with information on how you will be using your timeshare week this year:

___ WILL OCCUPY UNIT

___ WILL RENT (Complete and return the rental agreement)

___ EXTERNAL EXCHANGE (RCI, II)

Should you have any questions regarding the above options, please call the resort at (954) 941-3410.

Maintenance fees must be paid in full prior to you exchanging your unit-week. For all future reservation requests that will occur in the next calendar year, pre-payment of estimated maintenance fees is required, i.e. if a 2024 week is being exchanged, an estimated maintenance fee payment (the 2023 rate) for the 2024 week is required. Please return this form to the resort via email to either kgregory@lighthousecove.com. If you are unable to email Lighthouse Cove this form, you can send this form to the below address, or fax it to us at (954) 943-3465. Please be aware if you still have outstanding maintenance fees due for the current year, you will not be allowed to use your unit until your account is paid in full.
